Regular Rides

Time for another I think? And no, you didn't miss the August one as we didn't do one due to there already being so much on what with the IOW, Mersea, etc.

Septembers rideout will be over to see some of the Letchworth / Welwyn / Stevenage lads and lasses and all are welcome. Plan is to leave the Piazza in Bedford Town Centre on Sunday 23rd about midday, latest 12.15 and head for The Hogs Head in the middle of Letchworth. Apparently there's a good outside area if the weather holds and there's plenty of room for the scooters too.

IOW

Well done to all that went and to those that didn't make it, you were missed. Until the beers were in anyway 😊, which wasn't long.

The Stupid O'Clock crew made good headway despite M1 roadworks and carried on until the A3 where Fred pulled in not long after us telling us that Mr. Chips was having bother.

Bother? His regulator was somewhere dancing between lorries on the M25 and it was apparant his head gasket had blown completely. Still, (to the tune of McGyver) we soon had him on his way using little more than a paperclip, a 13mm socket and a tube of well used KY Jelly from his tool kit 😊

Dan did well on his J Range too, keeping to a good 55 to 60 a lot of the way, even 2 up at times. Mind you, we did wave to him from the ferry at Portsmouth as he had to deal with the thickest ticket operator in the country!

Mersea Island

Bloody good crack. What more is there to say really, other than to let Justin know that we all love him!! Aaaahhhh.
Donnie, Dan and Aaron all managed to dyno their scooters getting 11.3, 8.9ish and 19+ brake horse power respectively!!
The Pimm's twin's brought a triplet (Ian) and some git started a sausage roll fight in their tent!
