

Easter Egg Run

A good turn out at the Peterborough Lambretta and Vespa Club annual Easter Egg run on the 12th March by the Pilgrims and many other clubs! I believe that the final tally was somewhere in the region of 170+ scooters despite Pete's cable snapping on him and having to do roadside repairs. Apparently the tally included some bloke dressed as an albino penguin on a Vespa.

Monthly Ride

The Monthly Ride this April is in fact the ride to the Ace Cafe on the 23rd of April. Route to be determined but keep an ear out at the Piazza Meets and watch your emails!!

Kettering Parts Fair

Again a great turnout, not just the Pilgrims but also the NHSC and a few of the Feckers rode up to the parts fair, about 20 of us in all. Uneventful ride other than both SX Andy and Donegal both leaving a couple of skid marks on the tarmac. Brakes are working then!

Other than that, there was some disappointment at the fact that the free bit outside is no longer free but to be fair, dealers inside were starting to question paying so much for indoor pitches if a large amount of people only came for the free stalls.

Mind you, I still doubt that the bloke selling the GP headset at £300 odd had a sale!!

New Scooter Shop

That's right, our own Chalky has opened up Sandy Scooters. Now in it's fourth week they are busy busy busy! Paul, the mechanic used to work for Grand Prix in Leicester and knows his way round Lambrettas, Vespas and even other classics such as the Maicolettas. Give them a try!! They are open every day except Sunday from 9 to 5 except Tuesday where they stay open until 7! There's a website on the way from them which should be up and running within a month and there's a preview of this on the Pilgrims site!

Another New Scooter Club

Many of you will know that there has been chat about a new club in the Milton Keynes area. Well it's happened. Growing out of the Saturday Noon meets at the Xcape Milton Keynes is The Tin Soldiers SC. Give them your support as they support us.

The website is www.tinsoldierssc.com

The Pilgrims Website

Anyone that has visited the website will have seen we've done a bit of a makeover which seems to have gone down well.

However, after all the hard work of upgrading the forums themselves, we had a problem which was traced to the host servers which deregistered some of the members. Unfortunately the only way that this could be properly rectified was to purge the forums and start again.

So, when you next visit the forums you will notice that your old username and password wont work, mainly as it was deleted, so all you have to do is to register again to keep up to date. It only takes a couple of minutes and its one very useful way to communicate with others about what the clubs up to.

Keeping in Touch

Just a reminder that the club has a website at www.thepilgrimssc.co.uk where members can keep in touch with what's happening and even make suggestions on what we could do this coming year.
